Units: About 2,000

Description: The Philips Harmonize™ Synchronized Music and Lighting System Model is an electrical control box for decorative lighting (e.g. Christmas lights). When plugged into the control box, the lights flash to the beat of the music being played on the Harmonize control box. The product is sold with one 50-light decorative light string. The green control box is approximately 7.5" x 6.5" x 2.5", and is green in color with a gray tinted cover over the controls with a red digital readout under the cover. The model number MU1402 can be found on a white label wrapped around the plug cord wire, near the plug.

Incidents/Injuries: The firm received two reports of the control unit overheating, melting or smoking. No injuries have been reported.

Sold at: Menards store in Ill., Ind., Iowa, Kan., Mich., Minn., Mo., Neb., N.D., Ohio, S.D. and Wis. from August 2015 through November 2015 for about \$120.

Importer/Distributor: Seasonal Specialties LLC, of Eden Prairie, Minn.

Manufactured in: China
