HALLOWEEN IN THE PARK

Sharp Springs Natural Area Park

Saturday, October 29th

3:00pm till 8:30pm

Halloween in the Park Booth Rentals

Halloween in the Park is right around the corner on Saturday, October 29th at Sharp Springs Natural Area Park. Approximately 70 - 90 vendors set up booths each year and approximately 7,000 people attend this annual event. This is a great way to advertise your business, raise money for non-profit group, and become involved in your community.

The booth rental fee is \$35 for a 10' x 10' space. Some spaces have access to electricity. Each vendor booth is encouraged to decorate their space and also have enough candy for the large number of kids that come through trick or treating.

To obtain a booth application you may go to www.townofsmyrna.org then choose **Departments** - Parks, then **Forms**, then click on **Booth Request Online Form** and fill out your 2016 Halloween in the Park Booth Request. We ask that you are very specific on the amount of electricity you may need and the amount of space you will need. Each year we present an award for the "Best Booth" so please plan to decorate your booth space festively. For further questions you may contact Marty Smith at 459-9742 ext. 2622.
